HILLTOPS REGION

## ABOUT US

Grove Estate's 35 Hectares of vineyards make up just part of the Grove Estate story. The Kirkwood's, Flanders and Mullany's (The Partners of Grove Estate) also own another 55 Hectares of vineyards that supply the Grove Estate label. Mark and Vickie Flanders have vineyard adjoining Grove Estate on the Murringo Road. Peter and Suzanne Kirkwood have Shiraz less than a Kilometre from Grove Estate and Brian and Suellen Mullany have Cabernet, Barbera and Sangiovese in the same area. Brian and Suellen along with Michelle and Vince Fernon (Brian's sister and brother in law) have another 30 hectares around 10 kilometres from Grove Estate towards the small village of Wombat.

## THE RED SOIL

This diversification of sites and soil types along with the unique micro climates on each vineyard allows for a great ability to produce a diverse style of wines from the one GI (Geographical Identification Area). This together with the huge range of varieties that we grow including Nebbiolo, Zinfandel, Barbera, Sangiovese, Viognier ... make Grove Estate a really exciting wine company.

---

## Hilltops Shiraz 2017

The 2017 Hilltops Shiraz is a premium Shiraz from our vineyards in the Hilltops Region. This wine captures the "Spirit of the Hilltops". Low yielding cool climate Shiraz picked at the optimum Baumé of 14. This Shiraz is crafted to be consumed over the next 5 years, although it will cellar for many more.
